

# HOW TO LAND A CONTRACT WITH OCTA

1 to 2 p.m. Nov. 9, 2022

To many business owners, the process of winning contracts from government and public agencies can be challenging. It requires understanding of the process and attention to details among other requirements.

The Orange County Transportation Authority's diversity outreach and procurement teams will explain how to access important information through the OCTA procurement website and answer your questions as a potential vendor.

Please join us at the FREE webinar to learn how to prepare for future opportunities for transportation contracts and to gain insights and tips on how to position your company for future success.
