- Form must be signed by each DBE firm
- Value listed must match the “Total” value of proposed participation listed on the “Exhibit E-1 DBE Participation Commitment Form”
- Form must be submitted with the bid

Good Faith Efforts (GFE) Requirements

- Bidder must demonstrate REAL and SUBSTANTIVE Efforts
- Bidder must have undertaken all necessary and reasonable steps to achieve a DBE goal that by their scope, intensity, and appropriateness to the objective of meeting the goal could reasonably be expected to obtain sufficient DBE Participation.
- Authority will consider the quality, quantity, and intensity of the different kinds of efforts undertaken by Bidder.
- Authority will examine GFE made by other bidders, for the same solicitation, for comparison.
- A GFE Toolkit is available on CAMMNET for additional guidance.
<https://cammnet.octa.net/dbe/files/GFE%20Toolkit.pdf>

Requirements for Good Faith Efforts (GFE) When Goal Not Met

(refer to the DBE Information-Good Faith Efforts form in the IFB)

A. Items of Work the Bidder Made Available to DBE Firms;

The percentage of work made available should exceed the DBE contract goal

- The scopes of work made available should match what was listed on the bidder's Invitation to Bid, Ad and solicitation e-mails
- Bidder should unbundle larger scope items to facilitate DBE participation.

Requirements for Good Faith Efforts (GFE) When Goal Not Met

B. Solicitation Effort Documentation;

- A reasonable amount of DBEs must be solicited from the available firms per scope area (NAICS/WCC) made available. If OCTA's DBE Listing includes 300 DBE firms in a NAICS or WCC category, contacting 50 firms would not demonstrate an adequate good faith effort in this GFE area.
- If Bidder prepares a summary sheet of written solicitations that occurred, evidence of the individual solicitations should be submitted with the summary sheet. A summary sheet and a template of the solicitation language does not demonstrate adequate GFE unless the individual solicitations are also submitted.
- Call logs must include type date, time and who was spoken to and results of the communication (e.g. interested, bidding, not bidding).

Requirements for Good Faith Efforts (GFE) When Goal Not Met

B. Solicitation Effort Documentation (continued);

- Bidder's should solicit firms at a minimum no later than 14 calendar days prior to the Authority's bid due date and follow up to the solicitations should allow DBE firms reasonable time to respond.
- If a firm was contacted and identified to be interested or if no response was yet received, call-log or e-mail documentation must be included to show a timely follow-up was made.
- Bidder must include within their GFE documentation efforts to identify correct numbers or e-mails if numbers were out of service or e-mails were returned.
- DBE firms solicited must be advised if the original bid due date has been extended.

Requirements for Good Faith Efforts (GFE) When Goal Not Met

C. Rejected DBE Bid Documentation:

- Bidder MUST include quote(s) from rejected DBE firm(s), the quote from the firm selected for the work AND an explanation of why the selected firm was chosen over the rejected DBE.
- If the reason for rejection was “price” the quotes must be “like” in comparison? If the DBE was offered bid items 1-5 and Non-DBE firm was offered bid items 1-20, they may have an ability to offer a lower rate for items 1-5 as they can absorb the cost in other areas. These are not “like” bids.
- If the reason for rejection was “price“, the cost differential should be greater than 10%. If not, it would be reasonable to conclude the bidder should have given cognizance to the goal and opted to go with the DBE.
- Bidder to provide efforts made (and documented) to communicate, clarify and/or bring rejected DBE firms on the team.

Requirements for Good Faith Efforts (GFE) When Goal Not Met

D. Publication Efforts Made to Advertise the Projects to Solicit DBE Participation;

- To demonstrate responsiveness in this area, Bidder must not place publications on a media that requires a fee to view.
- Publications must be posted a minimum of 14 calendar days before the bid due date.
- Publications must include information about the contract (location of project, contract number, bid date, scope of work made available and contact information.)
- If the bid-due date is extended publication should be re-run to notify potential bidders are also notified.

Requirements for Good Faith Efforts (GFE) When Goal Not Met

E. Agencies, Organizations, or Groups Contacted to Provide Assistance in Contracting, Recruiting, and Using DBEs;

- Bidder must reach out to local Agencies, Chambers or Minority Associations and submit documentation of these efforts.
- If assistance was provided by an agency, organization and/or group, the bidder must show they have utilized or followed-up with the assistance provided.

Examples:

District 12, District Local Assistance Engineer: Tifini Tran at (949) 756-7805 or at Tifini.Tran@dot.ca.gov

District Small Business Liaisons (DSBL): Brian G. Walsh, DSBL #12 (949) 724-2332, Brian.G.Walsh@dot.ca.gov.

California Construction Contracting Program (CCCP): Peg Bergmann, Project Director, at (916) 445-3512 or at peg_bergmann@dot.ca.gov.

SCORE Orange County

List of California Chambers by County: <http://advocacy.calchamber.com/resources/local-chambers/>

Construction Management Association of America (So Cal Chapter): www.cmaasc.org

Requirements for Good Faith Efforts (GFE) When Goal Not Met

F. Efforts to Provide Information About the Plans, Specifications, and Contract Requirements;

- Assistance should be documented in the publication and bidder's Invitation to Bid.
- Bidder to provide e-mails or faxes to document assistance was provided.
- Efforts should exclude supplies and equipment the DBE subcontractor purchases or leases from the prime contractor or its affiliate(s).

G. Assistance with Lines of Credit, Insurance, and/or other Services;

- Assistance should be documented in the publication and bidder's Invitation to Bid.
- Bidder to provide e-mails or faxes to document assistance was provided.
- Bidder to submit documentation of innovative measures to assist DBEs with bonding, lines of credit or insurance.
- Bidder should provide a link to the plans and specifications in their solicitation or document how plans and specifications were made available to prospective bidders by some other means.

Requirements for Good Faith Efforts (GFE) When Goal Not Met

H. Additional Data to Support a Demonstration of Good Faith Efforts;

- Any additional good faith efforts demonstrated that do not fall into categories A through G.
- The DBE participation commitment of the other bidders is the primary consideration for this category. The Authority will determine what the average of the bidders is and if this bidder met that average. If the bidder did not meet the average, it can be reasonably assumed that their good faith efforts were not sufficient in this area.

Example:

- 1st bidder: 3% commitment
- 2nd bidder: 6% commitment
- 3rd bidder: 10% commitment

In the above scenario the average of the bidders is 6.3%, as the 1st bidder came in below the average, they did not sufficiently demonstrate good faith efforts in relation to the other bidders.

Bidders List

(refer to the Bidders List in the IFB)

- Bidder is required to complete and submit the DBE Exhibit E-4 form (titled Bidders List) to Authority no later than 4:00 p.m. on the 2nd business day after the bid due date.
- Bidders List is to include all firms (DBE and non-DBE) that submitted bids to act as subcontractors, suppliers or brokers, whether or not you elected to use them in your bid.
