- d. The Authority reserves the right to postpone proposal openings for

its own convenience.

- e. Each proposal will be received with the understanding that acceptance by the Authority of the proposal to provide the services described herein shall constitute a contract between the Offeror and Authority which shall bind the Offeror on its part to furnish and deliver at the prices given and in accordance with conditions of said accepted proposal and specifications.
- f. The Authority reserves the right to investigate the qualifications of any Offeror, and/or require additional evidence of qualifications to perform the work.

- 4. Any other expenses incurred by Offeror prior to date of award, if any, of the Agreement.

**H. JOINT OFFERS**

Where two or more firms desire to submit a single proposal in response to this RFP, they should do so on a prime-subcontractor basis rather than as a joint venture. The Authority intends to contract with a single firm and not with multiple firms doing business as a joint venture.

Conflict of Interest issues must be fully disclosed in the Offeror's proposal.

All Offerors must disclose in their proposal and immediately throughout the course of the evaluation process if they have hired or retained an advocate to lobby Authority staff or the Board of Directors on their behalf.

Offerors hired to perform services for the Authority are prohibited from concurrently acting as an advocate for another firm who is competing for a contract with the Authority, either as a prime or subcontractor.

**M. CODE OF CONDUCT**

All Offerors agree to comply with the Authority's Code of Conduct as it relates to Third-Party contracts which is hereby referenced and by this reference is incorporated herein. All Offerors agree to include these requirements in all of its subcontracts.

All proposals and documents submitted in response to this RFP shall become the property of the Authority and a matter of public record pursuant to the California Public Records Act, Government Code sections 6250 et seq. (the "Act"). Offerors should familiarize themselves with the provisions of the Act requiring disclosure of public information. Offerors are discouraged from marking their proposal documents as "confidential" or "proprietary."

If a Proposal does include "confidential" or "proprietary" markings and the Authority receives a request pursuant to the Act, the Authority will endeavor (but cannot guarantee) to notify the Offeror of such a request. In order to protect any

information submitted within a Proposal, the Offeror must pursue, at its sole cost and expense, any and all appropriate legal action necessary to maintain the confidentiality of such information. The Authority generally does not consider pricing information, subcontractor lists, or key personnel, including resumes, as being exempt from disclosure under the Act. In no event shall the Authority or any of its officers, directors, employees, agents, representatives, or consultants be liable to Offeror for the disclosure of any materials or information submitted in response to the RFP or by failing to notify Offeror of a request seeking its Proposal. The Authority reserves the right to make an independent decision to disclose records and material.

Notwithstanding the above, all information regarding proposal responses will be held as confidential until such time as the evaluation has been completed; an award has been made by the Board of Directors or Authority Staff, as appropriate; and the contract has been fully negotiated.

**O. STATEMENT OF ECONOMIC INTERESTS**

The awarded Offeror (including designated employees and subconsultants) may be required to file Statements of Economic Interests (Form 700) in accordance with the Political Reform Act (Government Code section 81000 et seq.). This applies to individuals who make, participate in making, or act in a staff capacity for making governmental decisions. AUTHORITY determines which individuals are required to file a Form 700, and if such determination is made, the individuals must file Form 700s with AUTHORITY's Clerk of the Board no later than thirty (30) days after the execution of the Agreement, annually thereafter for the duration of the Agreement, and within thirty (30) days of termination of the Agreement.

- (3) Describe the firm's experience in performing work of a similar nature to that solicited in this RFP, and highlight the participation in such work by the key personnel proposed for assignment to this project.
- (4) Identify subcontractors by company name, address, contact person, telephone number, email, and project function. Describe Offeror's experience working with each subcontractor.
- (5) Identify all firms hired or retained to provide lobbying or advocating services on behalf of the Offeror by company name, address, contact person, telephone number and email address. This information is required to be provided by the Offeror immediately during the evaluation process, if a lobbyist or advocate is hired or retained.

**d. Exceptions/Deviations**

State any technical and/or contractual exceptions and/or deviations from the requirements of this RFP, including the Authority's technical requirements and contractual terms and conditions set forth in the Scope of Work (Exhibit A) and Proposed Agreement (Exhibit C), using the form entitled "Proposal Exceptions and/or Deviations" included in this RFP. This Proposal Exceptions and/or Deviations form must be included in the original proposal submitted by the Offeror. If no technical or contractual exceptions and/or deviations are submitted as part of the original proposal, Offerors are deemed to have accepted the Authority's technical requirements and contractual terms and conditions set forth in the Scope of Work (Exhibit A) and Proposed Agreement (Exhibit C). Offerors will not be allowed to submit the Proposal Exceptions and/or Deviations form or any technical and/or contractual exceptions after the proposal submittal date identified in the RFP. Exceptions and/or deviations submitted after the proposal submittal date will not be reviewed by Authority.

All exceptions and/or deviations will be reviewed by the Authority and will be assigned a "pass" or "fail" status. Exceptions and deviations that "pass" do not mean that the Authority has accepted the change but that it is a potential negotiable issue. Exceptions and deviations that receive a "fail" status means that the requested change is not something that the Authority would consider a potential negotiable issue. Offerors that receive a "fail" status on their exceptions and/or deviations will be notified by the Authority and will be allowed to retract the exception and/or deviation and continue in the evaluation process. Any exceptions and/or deviation that receive a "fail" status and the Offeror cannot or does not retract the requested change may result in the firm being eliminated from further evaluation.

**4. Cost and Price Proposal**

As part of the cost and price proposal, the Offeror shall submit proposed pricing to provide the services for each work task described in Exhibit A, Scope of Work.

The Offeror shall complete the "Price Summary Sheet" form included with this RFP (Exhibit B), and furnish any narrative required to explain the prices quoted in the schedules.

It is anticipated that the Agreement resulting from this solicitation, if awarded, will be a time and expense contract with fully burdened labor rates and anticipated expenses for work specified in the Scope of Work, included in the RFP as Exhibit A.

**5. Appendices**

Information considered by Offeror to be pertinent to this project and which has not been specifically solicited in any of the aforementioned sections may be placed in a separate appendix section. Offerors are cautioned, however, that this does not constitute an invitation to submit large amounts of extraneous materials. Appendices should be relevant and brief.

**B. FORMS**

**1. Status of Past and Present Contracts Form**

Offeror shall complete and sign the form entitled "Status of Past and Present Contracts" provided in this RFP and submit as part of its proposal. Offeror shall identify the status of past and present contracts where the firm has either provided services as a prime vendor or a subcontractor during the past five (5) years in which the contract has been the subject of or may be involved in litigation with the contracting authority. This includes, but is not limited to, claims, settlement agreements, arbitrations, administrative proceedings, and investigations arising out of the contract. Offeror shall have an ongoing obligation to update the Authority with any changes to the identified contracts and any new litigation, claims, settlement agreements, arbitrations, administrative proceedings, or investigations that arise subsequent to the submission of Offeror's proposal.

A separate form must be completed for each identified contract. Each form must be signed by the Offeror confirming that the information provided is true and accurate.

**2. Proposal Exceptions and/or Deviations Form**

Offerors shall complete the form entitled "Proposal Exceptions and/or Deviations" provided in this RFP and submit it as part of the original proposal. For each exception and/or deviation, a new form should be used, identifying the exception and/or deviation and the rationale for requesting the change. Reasonableness of the total price as well as the individual tasks; competitiveness with other offers received; adequacy of data in support of figures quoted.

#### **B. EVALUATION PROCEDURE**

An evaluation committee will be appointed to review all proposals received for this RFP. The committee is comprised of Authority staff and may include outside personnel. The committee members will evaluate the written proposals using criteria identified in Section III A. A list of top-ranked proposals, firms within a competitive range, will be developed based upon the totals of each committee members' score for each proposal.

During the evaluation period, the Authority may interview some or all of the proposing firms. The Authority has established October 10, 2023, as the date to conduct interviews. All prospective Offerors are asked to keep this date available. No other interview dates will be provided, therefore, if an Offeror is unable to attend

the interview on this date, its proposal may be eliminated from further discussion. The interview may consist of a short presentation by the Offeror after which the evaluation committee will ask questions related to the firm's proposal and qualifications.

At the conclusion of the proposal evaluations, the evaluation committee will score the proposals to develop a competitive range. Offerors remaining within the competitive range may be asked to submit a Best and Final Offer (BAFO). In the BAFO request, the firms may be asked to provide additional information, confirm or clarify issues and submit a final cost/price offer. A deadline for submission will be stipulated.

At the conclusion of the evaluation process, the evaluation committee will recommend to Authority's management the Offeror whose proposal is most advantageous to Authority.

**C. AWARD**

The Authority may also negotiate contract terms with the selected Offeror prior to award, and expressly reserves the right to negotiate with several Offerors simultaneously and, thereafter, to award a contract to the Offeror offering the most favorable terms to the Authority.

The Authority reserves the right to award its total requirements to one Offeror or to apportion those requirements among several Offerors as the Authority may deem to be in its best interest. In addition, negotiations may or may not be conducted with Offerors; therefore, the proposal submitted should contain Offeror's most favorable terms and conditions, since the selection and award may be made without discussion with any Offeror.

The selected Offeror will be required to submit to the Authority's Accounting department a current IRS W-9 form prior to commencing work.

**D. NOTIFICATION OF AWARD AND DEBRIEFING**

Offerors who submit a proposal in response to this RFP shall be notified via CAMM NET of the contract award. Such notification shall be made within three (3) business days of the date the contract is awarded.

Offerors who were not awarded the contract may obtain a debriefing concerning the strengths and weaknesses of their proposal. Unsuccessful Offerors, who wish to be debriefed, must request the debriefing in writing or electronic mail and the Authority must receive it within three (3) business days of notification of the contract award.

**EXHIBIT A: SCOPE OF WORK**

## PROJECT P PILOT TRAINING PROGRAM AND SUPPORT

### BACKGROUND

The Orange County Transportation Authority (OCTA) releases a competitive annual call for projects for the Regional Traffic Signal Synchronization Program (RTSSP or Project P). Each funded RTSSP project involves participation by local agencies, such as signal timing and design plan reviews. OCTA endeavors to establish a program to provide eligible local agency staff with recurring technical and administrative training in support of the RTSSP. Generally, eligible participants include staff from the 34 cities in Orange County and the County of Orange Public Works. OCTA is seeking a qualified firm (CONSULTANT) to create and manage a pilot training program available to local agency staff. At the end of the pilot, the CONSULTANT shall deliver a report to detail lessons learned and components necessary for a countywide training program in support of the RTSSP.

### LIMITATION ON GOVERNMENTAL DECISIONS

Nothing contained in this scope of work permits CONSULTANT's personnel to authorize or direct any actions, votes, appoint any person, obligate, or commit OCTA to any course of action or enter into any contractual agreement on behalf of OCTA. In addition, CONSULTANT's personnel shall not provide information, an opinion, or a recommendation for the purpose of affecting a decision without significant intervening substantive review by OCTA personnel, counsel, and management.

The pilot program may include the following services:

#### Research and Compilation

Using recent surveys, reports, studies, and experience with agency staff, the CONSULTANT shall develop a list of training topics that will benefit Orange County local agency staff in support of OCTA's RTSSP. At a minimum, the technical topics shall include signal timing, signal equipment maintenance, traffic signal design, and basic Ethernet networking. The CONSULTANT shall verify the list of potential training topics with OCTA prior to commencing research and compilation of classes.

There are many well established free and paid training classes/programs around the world. The CONSULTANT shall identify relevant training classes/programs in the upcoming 18 months and compile them into a searchable/sortable database that will be accessible by all agency staff. At a minimum, the classes shall be sortable by date, topic, PDH/CEU credits offered, relevant fees, and location. This database should be updated monthly for the duration of this pilot. Agency staff should have the ability to browse and sign up for classes at their convenience. The CONSULTANT shall design the database so that it is also tracking the number of agencies who took advantage of these classes and number of classes that were attended.

#### Program Development and Support

The CONSULTANT shall create and execute this pilot training program. Eligible participants include staff from the 34 cities in Orange County and the County of Orange Public Works. On-call consultants, staff support, and/or extension of staff are not eligible for this pilot program.

Development of program shall include a process to approve participants who desire to attend the training courses. At a minimum, the process shall include the following items:

- **Participation Requests:** The CONSULTANT shall create a way for participants to sign up for courses.

- **Request Approvals:** A flow/process shall be established to respond to requests.
- **Request Processing:** The CONSULTANT shall create and execute a standard procedure for processing requests. This includes attendee registration payments.
- **Post-Course Evaluation Survey:** The CONSULTANT shall survey attendees to evaluate the effectiveness of the course and the process of the program. The CONSULTANT shall also utilize these evaluations to regularly update the course database.

The process shall be approved by OCTA prior to the start of the program. All requests and approvals shall be conducted electronically. The CONSULTANT is encouraged to create an automated process for this program. Once the process is approved by OCTA, the CONSULTANT will carry out the program for the duration of the contract. Once an agency's request is approved, CONSULTANT will complete the course registration using details from the agency's request.

The CONSULTANT shall create marketing materials to advertise to eligible participants. The marketing materials may be posted on OCTA's website or distributed electronically.

All results shall be shared with OCTA. At least four (4) classes, including course materials, are expected on this contract. Classes will be conducted at OCTA headquarters in the City of Orange. The CONSULTANT shall also research the possibility of obtaining accreditation for PDH/CEU credits for these courses as applicable.

4           to AUTHORITY by CONSULTANT as described in the Scope of Work. If any such work suspension or  
5           change causes an increase or decrease in the price of this Agreement, or in the time required for its  
6           performance, CONSULTANT shall promptly notify AUTHORITY thereof and assert its claim for  
7           adjustment within ten (10) calendar days after the change or work suspension is ordered, and an

23 with other material not provided by CONSULTANT when such use in combination infringes upon an  
24 existing U.S. letters patent or copyright.

26 negotiations for settlement thereof. CONSULTANT shall not be obligated to indemnify AUTHORITY

1 under any settlement made without CONSULTANT's consent or in the event AUTHORITY fails to  
2 cooperate fully in the defense of any suit or claim, provided, however, that said defense shall be at  
3 CONSULTANT's expense. If the use or sale of said item is enjoined as a result of such suit or claim,
