Attachment A: Questions Received and Authority’s Responses

Questions Received (Q) and Authority Answers (A)

- Q2.** We are interested in bidding for the Pavement Rehabilitation at the Naval Weapons Station Seal Beach. We maintain a Class A license which allows us to do Earthwork and Paving, however, the invitation to bid states that a C12 license is required, which is a specialty license specific to only Earthwork and Paving. Is it possible to revise this to include "Class A and/or C12"?
- A2.** Yes. License requirement will be updated to State of California Class A and/or C12.
