**SUBJECT: Request for Proposals (RFP) 5-3961
"Construction Management Support Services for the Interstate 5
Improvement Project Between Interstate 405 and Yale Avenue"**

Gentlemen/Ladies:

This letter and its attachments comprise **Addendum No. 2** to the above captioned Request for Proposals issued by the Orange County Transportation Authority ("Authority").

1. Offerors are advised that the Authority has received questions by the date and time specified in the RFP and responses are presented as Attachment A to this Addendum No. 2.
2. Offerors are advised that the pre-bid conference registration sheets are presented as Attachment B to this Addendum No. 2.

Offerors are reminded to acknowledge receipt of this **Addendum No. 2** in their Letter of Transmittal, which is to accompany the proposal. Offerors are advised that all changes addressed in this **Addendum No. 2** shall be incorporated into the final Agreement.

Questions regarding this Addendum No. 2 should be directed to the undersigned at 714-560-5314 or mle1@octa.net.

Sincerely,

Michael Le
Senior Contract Administrator
Contracts Administration and Materials Management

Attachments:

- Attachment A: Questions Received and Authority Responses
Attachment B: Pre-Proposal Registration Sheets

Questions Received (Q) and Authority Answers (A)

- Q1. Is source inspection a required service by OCTA for the consultants to provide?
- A1. (Plant) source inspection will be performed by Caltrans.
- Q2. We would like to clarify the formatting requirements. Page 11 of the RFP states that proposals should be typed in a standard 12-point font, double-spaced, and submitted in 8 1/2" x 11" format, with charts and schedules permitted in 11" x 17" format. Could you confirm whether single-spacing and a smaller, yet legible font size would be acceptable for certain elements of our submission, such as graphics, maps, organization charts, tables, and call-out boxes? We want to ensure compliance while optimizing readability and presentation.
- A2. Yes, however, the font must remain legible, without magnification.
- Q3. Beyond the Project Manager, Resident Engineer, and Structural Representative, which positions does OCTA consider "key"?
- A3. Offerors are responsible to determine which staff proposed are considered "key personnel" that would provide the services outlined in Exhibit A – Scope of Work.
- Q4. Does OCTA prefer the Project Manager and Resident Engineer roles to be combined or held by separate individuals?
- A4. For this size of project, OCTA prefers two separate individuals for PM and RE.
- Q5. Are there other positions (key or non-key) that OCTA considers desirable for the CM team?
- A5. Offerors are to determine the appropriate staffing that would provide the services outlined in Exhibit A – Scope of Work.
- Q6. Does the project manager have to have a minimum level of Caltrans experience?
- A6. Please refer to item 3.8-1(b) in Exhibit A – Scope of Work.
- Q7. Are resumes required to be double spaced, or may they be single spaced?
- A7. Resumes may be single spaced, however, the font must remain legible, without magnification.
- Q8. Are text boxes and charts permitted to use a smaller font size and be single spaced?

- A8. Please refer to the response provided for Q2.
- Q9. Can the retention requirements of Article 5, Payment, Part C, be removed from the agreement? If not, can language be added to release portions of retention at specific milestones such as 50% and 100% construction?
- A9. Please submit this request on Exhibit C – Proposal Exceptions and/or Deviations form as part of your proposal submittal.
- Q10. We request removal of Article 22, Design with Funding Limitations. This article is not applicable to CM services.
- A10. Please submit this request on Exhibit C – Proposal Exceptions and/or Deviations form as part of your proposal submittal.
- Q11. We request amending Article 23, Requirements for Registration of Designers, by removing references to responsibility for design and design documents.
- A11. Please submit this request on Exhibit C – Proposal Exceptions and/or Deviations form as part of your proposal submittal.
- Q12. Please confirm if Exhibit D, Safety Specification, is for the Consultant's information only. Exhibit D cites requirements of the "Contractor" which we assume to be the Construction Contractor.
- A12. Offerors are to comply with the requirements outlined in Exhibit D – Level 2 Safety Specifications. As noted in Article 30 – Health and Safety Requirements, of Exhibit B – Proposed Agreement No. C-5-3961, "Contractor" shall mean "Consultant" and "Subcontractor" shall mean "Sub-consultant".
